

# SIZE GUIDE

Take measurements directly on the contours of the body. Standing with arms extended, go round the area for measurement with a metric tape measure in a horizontal position. Once you have your measurement in centimetres, check the tables for the corresponding size. Don't forget to make a note of them so that you can use them in your subsequent orders.

## BOY

<b>Height (cm)</b>	87/93	93/98	99/104	105/110	111/116	117/122	123/128	129/140	141/152	153/162	163/172
